Water systems, sprin... Plumb(limit)boo(Tj40

Pump Discharge PSI: ,

FEATURES

ProJet™ Jet Pumps

Body: Ai

Nozzle: f

Pro-Source™ Water System Packages are handy and economical pump/tank packages for the professional contractor. The Pro-Source Water System Packages utilize the ProJet™ cast iron jet pumps and the dependable

Pro-Source quality pressurized steel tanks. Plumbing connections are made using galvanized fittings and 3-ply nylon reinforced vinyl tubing with stainless steel hose clamps. Ideal for installations where there is limited space.

PUMP PERFORMANCE
